

SMARTEEVA CUSTOMER PORTAL

Ensuring Safety and Satisfaction

Overview

Smarteeva's Customer Portal is a state-of-the-art platform designed to enhance the experience of medical device users and stakeholders. This portal provides a direct line of communication and service, tailored to the unique needs of the medical device industry. With the Smarteeva customer portal, customers are able to interact with you in real-time, provide pertinent product information, log-in product complaints, issue or general queries and also receive critical notifications from you on products related issues, recalls and other news.

Key Features

Sophisticated Decision Trees

Fast and easy adoption

Real Time collaboration

Two-way notifications

Install Base management

API for Seamless integrations

Reduce manual efforts

Smart data collection

Benefits

Direct Engagement

Customers can interact instantly, report product issues, or get information.

**Enhanced Communication**

Receive and send critical updates about product safety and recalls.

**Efficient Management**

Handles product information and customer interactions in one place.

Features

**User-Friendly Interface**

Easy to navigate for customers and employees, ensuring quick adoption.

**Real-Time Collaboration**

Work with customers and team members without delays.

**Automated Notifications**

Keep everyone informed with automatic updates.

Advantages Over Competitors

**Innovative Technology**

Smart decision trees guide users to the right solutions quickly.

**Seamless Integration**

Fits into existing systems with minimal effort.

**Data-Driven**

Gathers important information smartly, aiding in risk assessment and decision-making.

The Smarteeva Difference

Our Customer Portal is not just a tool; it's a bridge between medical device companies and their customers, ensuring products are used safely and efficiently. It's an integral part of success in today's fast-paced, global medical device market.
